## personal summary

Established artist painter, I have a keen interest in art, archaeology and cultural heritage.

I am able to work independently and as part of a team, meet deadlines and adapt to work in the multicultural environment.

I am looking long term position in art centers, in artist residencies and event happening organisations...

I am currently working as artist freelancer into visual communication and archaeology and available for new projects.

I have good sense of the details and aesthetic, as well a good sense of contact. I am committed to quality and organisation.
